1. BEFORE CAMP — PREPARE YOUR HEART

This isn't just a trip. It's an encounter.

Prepare your heart and mind now.

Start praying. Fast from distractions. Ask God to speak clearly. Come hungry for more.

Download our Bible series + small group guide.

Use it as your spiritual roadmap before camp.

Gather your young adults at church, at a coffee shop, or at your favorite cool hangout spot and go through the notes together. Start the conversations now so camp becomes the overflow.

Register NOW.

Secure your spot with a deposit. Space is limited.

Don't come alone — bring a friend. Revival is better together.

Young Adult Camp isn't ordinary.

It's powerful. It's deep. It's transformative.

And once you come... you'll understand why everyone says it's their favorite.

2. DURING CAMP — COME READY

Dress warm & hydrate.

We're at high elevation — cold weather and thinner air are real! Take care of your body so you can fully experience everything God has for you.

Bring your Bible & notepad.

General sessions and workshops are deep, powerful, and life-changing.

Don't just attend — capture what God is saying.

Pack smart:

- Bedding / sleeping essentials
- Toiletries
- Water bottle
- Snacks
- Cash for town

 The gates are open! We encourage you to explore **Big Bear Lake** with your current friends and the new ones you'll meet. Community is part of the experience.

Get involved!

Volleyball. Soccer. Morning runs. Speed dating. Worship nights.

Jump in. Participate. Laugh. Connect.

 **Come ready to receive.**

Don't hold back.

Dive into worship.

Lean into note-taking Listen intentionally.

Let the Holy Spirit renew yo u.

 **Holy Communion — Make It Personal**

One of the most sacred moments of camp will be Holy Communion.

This isn't routine.

This is remembrance.

This is intimacy.

Communion is your moment to pause, reflect, repent, and remember the sacrifice of Jesus. It's a time to lay burdens down, forgive, receive grace, and renew your covenant with Him.

Make space for just you and Jesus.

Let it be real. Let it be honest. Let it be transforming.

 **Capture the memories!**

Take pictures. Tag **@spdym** on your social media.

Let the world see what God is doing.

 **3. AFTER CAMP — DON'T LET THE FIRE DIE**

 **Testify.**

Tell your church family about God's goodness and wonders.

 Post about it. Share it. Invite someone next time.

 Continue walking with Jesus — closer, deeper, more intentional than ever before.

Live for Him.

Love like Him.

Look like Him.

Camp isn't the finish line.

It's the launching pad.
